Property Enhancement Program

The Property Enhancement Program (PEP), an excellent opportunity for property owners within Mt. Pulaski city limits to enhance their properties.

- Property owners can apply once each fiscal year (June 1st to May 31st) to receive funding support.
- EDPB will cover 50% of the costs, up to \$5,000, to help you clear out dilapidated structures to improve your property's appearance and value.
- To participate, simply complete and submit the Mt. Pulaski Economic Development & Planning Board Assistance Request Form and adhere to all outlined procedures.

Forms are available at Mt Pulaski's City Hall and online at cityofmtpulaski.com. Make sure your project begins and/or finishes within the same fiscal year as your application to take full advantage of this program and transform your property today!
